# PLANS TO SAFEGUARD EUROPE

## ASK COUNCIL TO SHUT RESORT IN NEGRO AREA

Aldermen Report No Evidence of a Nuisance.

## LIMIT TAVERNS

A delegation of 35 residents of the colored district appeared before the city council last evening to offer a protest through their spokesman, George Tall, against the issuing of a liquor license to Fred Spaulding, whom they claim is maintaining a nuisance at his tavern. They were informed, however, that the city could not refuse to issue a license when no specific charges of illegality appeared in their petition, which was presented two weeks ago to the aldermen and referred to the license committee for investigation.

Alderman J. W. Spillane, chairman of this committee which made three inspection trips to the place, said that several chances were given to the committee relative to compliance with the liquor code were immediately made by the management.

Under the law, he said, "we have no grounds to withhold a license in this instance. No affidavits accompanied the petition to show that any nuisance existed. He and Mayor Albert F. Hattenberg both reiterated that if any evidence of illegality is collected and presented, the city would give it due consideration."

Upon recommendation of the licensing committee, the city council last night voted to issue a license to Fred Spaulding, who is operating a tavern in the colored district.

At the instigation of Alderman Spillane the council voted to authorize the ordinance committee and City Attorney Victor N. Cardosi to submit at the next meeting a proposed ordinance regulating dance halls in the city of Kankakee. The city at present cannot regulate such places of amusement since no law in the statute books is applicable. Alderman Huntington James, second ward, reporting for the purchasing committee in the absence of Alderman David Wood said that the bids received for equipment in the fire and police departments were so much at variance, incomparable and contrary to specifications that the committee decided to reject all bids and ask for further time to consider the proposals.

Need Police. Alderman Spillane, however, the purchasing committee was given power to act on the matter of buying a police car since it was deemed urgent that the department obtain one as soon as possible.

## FRED REARDANZ IS JAILED AGAIN FOR TRESPASS

Fred Reardanz, 49-year old Bourbonnais farmer, who recently was arrested on charges of trespassing upon the farm he formerly occupied, was again jailed last night on a similar charge.

The warrant for his arrest last night, served by Deputy Sheriff Jesse Burton and Charles Kille, was issued by Justice Fred R. Smith at the request of Attorney Vernon G. Butz, agent for an insurance company which claims it owns Reardanz's former farm by virtue of foreclosure.

Today Reardanz's wife Vera was to appear before Justice Smith in an effort to secure the release of her husband from jail under bond of \$200.

Neighbors Complain. The first arrest of Reardanz on the trespass charge was June 3 on a warrant issued at the request of Attorney Butz and Mrs. Edna W. Prince, owner of land adjacent to the farm now claimed by the insurance company and which she occupies.

## STRICT PRIVACY AT FUNERAL OF MOVIE ACTRESS

Simplicity Will Contrast with Spectacular Career.

## OF JEAN HARLOW

BULLETIN. Berlin, June 8.—(AP)—Pola Negri, the actress, was reported tonight to have suddenly been stricken ill at Bayreuth and rushed to a Berlin hospital.

Literally millions mourned the loss of Marie Dressler in 1934 and of Will Rogers a year later. And there have been other girls here who died on the threshold of the bright life of the screen.

Barbara La Marr, the "too beautiful girl," Renee Adoree, little peasant heroine of "The Big Parade," Alma Rubens, Lilyan Tashman, "best dressed actress" who died in a hospital the day before her first starring picture was to open on Broadway.

Dorothy Bell, starlet killed in an auto accident. Thelma Todd, victim of monoxide poisoning in her garage. Fay Webb Vallee.

Helen Burgess, Buffalo Bill Cody's wife in "The Plainsman," who died at 18 of pneumonia this year.

Los Angeles, June 8.—(AP)—The body of Jean Harlow, clad in white, her favorite color, lay in a bronze coffin today as a close associate recalled that the blonde film star voiced a premonition of death when she was stricken last May 29.

The body of the actress, who had amassed an estimated \$1,000,000 in seven years of screen success, was described by Violet Denover, friend and make-up attendant for Miss Harlow.

"Jean looked at me strangely one morning—the same day she was taken ill," said Miss Denover. "You know, Violet," she told me, "I have a feeling I'm going away from here and never coming back."

Wore Powell's Ring. Ever since Christmas the 26-year old actress had worn a huge star sapphire ring on the third finger of her right hand. It was a gift from William Powell.

In death her hair was not the platinum hue she made famous. It was what she had described as a "honey blonde," its natural color before she entered the movies. Miss Harlow was wearing the natural hair in her last film, "The Sign of the Cross."

The body of the star who died at the height of her career was held at a mortuary for her mother and immediate relatives to look upon a last time before the funeral service.

Her mother, Mrs. Jean Bello, sought to forestall demonstrations by great throngs of curious persons, like those which saw Rudolph Valentino as he lay in state and which greeted the train that bore his body across the continent.

Will Not Lie in State. Miss Harlow will not lie in state.

Members of the school board also will consult with the expert as to a proper setting for the exhibit when it is offered to public view. They are now stored at the Central school.

## PRAISES PLANT

Dixon, Ill. June 7, 1937. Mr. Leslie Small, Kankakee Republican-News, Dear Mr. Small:

I see that the Republican-News is now doing its own photo and engraving work and doing an especially creditable job of it. I want to congratulate you on your progressive spirit and enterprise. Your readers will find great interest in this new department.

I have wished that we might have such an outfit and only the expense is holding us up. I find that an engraving plant which will turn out work of the high quality you are showing requires a considerable investment and the cost of operation is very high. I think you are certainly giving your area a service far ahead of most cities your size.

Yours sincerely, George B. Shaw, Editor, Dixon Evening Telegraph.

## BAN TRAFFIC ON COBB BLVD. FOR NEXT 30 DAYS

Council Votes To Protect Kiddies in Park.

## KEEP OLD NAME

That part of Cobb boulevard which runs through Riverpark was ordered closed last night by the city council on a 30-day trial basis. The street will be barricaded and a survey will be conducted at the end of that period to determine whether motorists are inconvenienced by its closing.

This measure was enacted in order to make the park safer for children who play there. With the street closed to vehicles, the danger of their being struck will be greatly reduced, according to Alderman Clarence Sanborn, sixth ward, who initiated council action on the proposal which has the approval of the park board.

Little likelihood exists, however, that the name of any part of Cobb boulevard will be changed, as was also suggested by Alderman Sanborn. It was his idea to rename that part of Cobb boulevard between Eagle and Emory streets, to be known as Rosewood avenue.

Petition Protest. A petition bearing the names of 27 property owners along the boulevard who objected to changing of the name was presented at last night's meeting. Further, it was disclosed that through the terms of the deed by which the city acquired the thoroughfare from Mr. Cobb, many lots are to be sold.

The city considered acceptance of another parcel of land last night to be dedicated to public use as an alley. This was the result of re-subdivision into lots of the property lying west of the 600 block on South Indiana avenue, owned by Anna W. Radeke, Anna M. Radeke, Margaret Meyer, Louise Forester and August Radeke. Upon motion of Alderman Huntington James, second ward, the matter was referred to the mayor, clerk and city attorney.

To Build Home. The petition of property owners in the vicinity of the residence of Ray G. Haaker, 710 South Woodland avenue, asking that the zoning ordinance be amended to permit the erection of a house on the northeast corner of his property, was referred to the zoning board of appeals.

Another petition, that of Albert boulevard residents who want a storm sewer constructed and assessments spread against them for payment thereof, was granted on motion of Alderman Jack Costello, sixth ward.

## Triangle Co. Low on Two Road Bids

When the highway committee of the county board yesterday afternoon opened bids for the construction of two stretches of county highways, it was found that the Triangle Construction company of Kankakee was low bidder in each case.

Contracts were not let by the committee, however, because there are some right-of-way matters to be completed.

For the construction of 1.04 miles of traffic bound surface course to finish a roadway from Kinney's corner to the Pembroke town hall, the Triangle company bid \$5,661.89 while Timm Brothers Construction company of Manhattan bid \$5,868.33.

For the construction of 1.6 miles of the same type of roadway, completing a stretch from highway 17 east of Kankakee to Aroma Park, called the scenic highway, the Triangle company bid \$7,076.22 while the Timm Brothers company offered \$12,341.85.

## "Security" Card Traps Local Thief

Chester J. Slisz, 16, of 169 South Fourth avenue, was a prisoner in the city jail today charged with housebreaking at the residence of Herman Haake, 252 South Fourth avenue.

The youth was arrested by Detective Daniel Bergan yesterday and admitted removing the screen from a downstairs window of the Haake home on Sunday evening and entering the bedroom where Mr. Haake's two daughters were sleeping.

When he touched the girls they screamed and he jumped out the window. His arrest was effected when his glass case was found in the yard yesterday. The case contained his social security card.

Slisz at first said his motive was burglary but later admitted he had disturbed none of the household effects. He says he attempted to enter two other houses in the past.

The boy's scholarship will be presented to John Dooley. Presentation of American Legion awards also will be tomorrow night by Attorney John Holland and E. J. Fottier, Legion commander.

## THREE-POINT PROPOSAL OF THE BRITISH

To Induce 2 Powers Back in Non-Intervention Body.

## NOT HOPELESS

London, June 8.—(AP)—Great Britain offered a three-point proposal today to induce Germany and Italy back into the non-intervention committee and to safeguard Europe from the chaos that might spread from a new "incident" in the Spanish civil war.

Great Britain proposed: 1. Extension of safety zones for neutral shipping and warships in the neutrality fleet patrolling Spain. 2. Assurances from both sides of the Spanish conflict to abstain from provocations such as the recent Spanish government aerial bombardment of the German pocket battleship Deutschland, a neutrality patrol vessel, in Ibiza harbor.

3. An arrangement, in the event the first two measures fail to bring Italy-German agreement, to bring the matter up for consultation by all four powers engaged in the patrol—Britain, France, Germany and Italy—to consider necessary action.

Situation Not Hopeless. The prospects for an agreement were not viewed optimistically in European chancelleries, but the situation was not regarded as hopeless.

In the face of Reichsfuehrer Adolf Hitler's threat to resume liberty of action in Spain in the event of a "provocation," some quarters expressed belief any effort to win Rome and Berlin back to collaboration was doomed to failure. Others believed he might change his stand.

They said Hitler was insistent that Germany confronted by another such incident as the Deutschland bombing, would consider herself free to take whatever retaliation she deemed necessary. Well-informed quarters considered this stand a threat to repeat measures such as the shelling of Almeria, Spanish seaport, by five of the Reich's warships.

Another impediment, they declared, was the stand of the Spanish central government which has refused to grant zones of security in Spanish territorial waters.

British diplomatic quarters, nevertheless, looked more hopefully for a solution.

## Germany Ready

Berlin, June 8.—(UP)—Experts believed today that Germany might return to the non-intervention committee and international control system in Spain within a week, under the new understanding among Spain, Germany and France.

It was understood that all outstanding details have been settled between Germany and Britain.

## 5 Union Employees Give Testimony

Five union employees seeking reinstatement in the upholstery department of the Kroehler Manufacturing company occupied the stand in the NLRB hearing against the Kroehler company yesterday and this morning as the sessions were accelerated somewhat.

Yesterday afternoon, Robert Matthews and Henry Ruckheim were on the stand. This morning Gladys Christiansen, Gladys St. Peter and Margaret Hackley appeared. All were questioned about production, grievances, and reasons for their layoffs.

The latter was taken into custody on his trial continued until last evening on the request of the defendant for a jury. He was represented in court by Attorney T. R. Johnston and City Attorney Victor N. Cardosi conducted the prosecution.

Members of the jury were Kenneth Patchett, George Lockwood, Richard Genotte, Al Bothfur, J. G. Ginger and G. A. Mills.

As he went out, it was said that Clifford, one of the patrons, called Bleau a name and told the proprietor that it was time to close his tavern.

He went out, it was said that Clifford, one of the patrons, called Bleau a name and told the proprietor that it was time to close his tavern.

## Fine Former Policeman \$1 For Disturbing The Peace

James Clifford, former police officer, was found guilty of "using profane language and indulging in conduct tending to provoke a breach of peace" by a jury in police court last evening and fined \$1 and costs of \$11.85 by Magistrate Edward Hoennicke.

The trial arose over an incident at the Kenneth Hart tavern on East avenue the night of May 22. Officer Don Bleau came into the place shortly after 2 a. m. and advised the proprietor that it was time to close his tavern.

As he went out, it was said that Clifford, one of the patrons, called Bleau a name and told the proprietor that it was time to close his tavern.
